### 1. Running the application

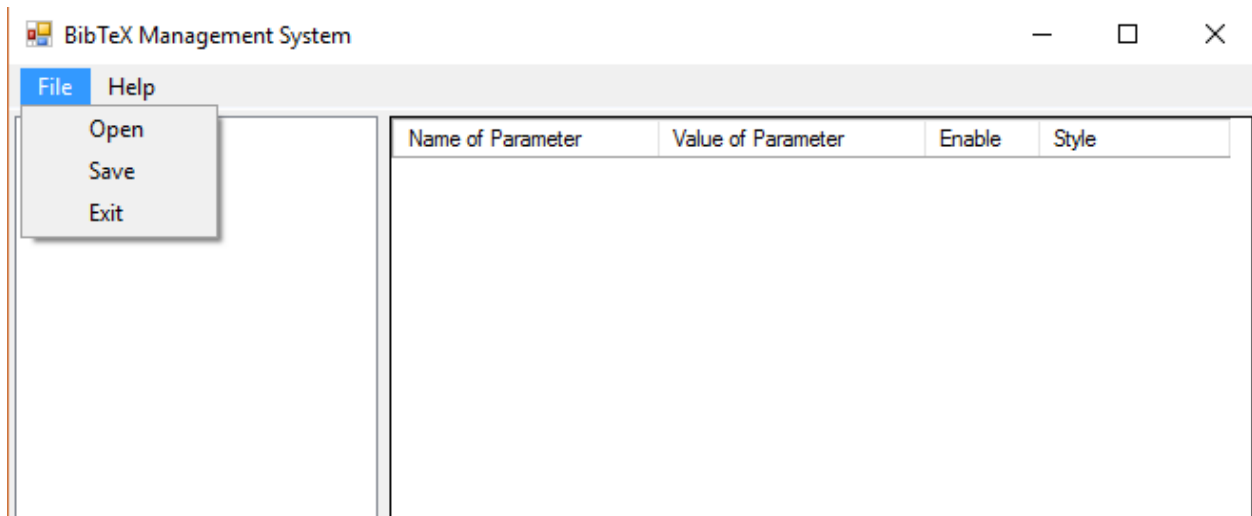

When user runs program by clicking 'bibtex-management-system' executable file two times, the following view will be displayed:

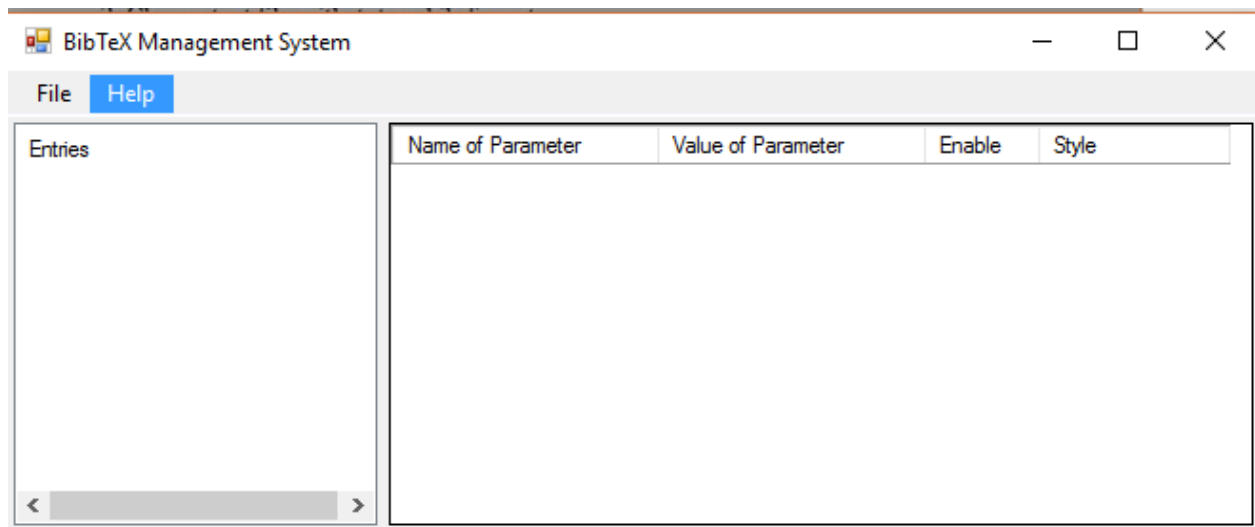

User can choose two options from menu: 'File' and 'Help'.

### 2. File menu

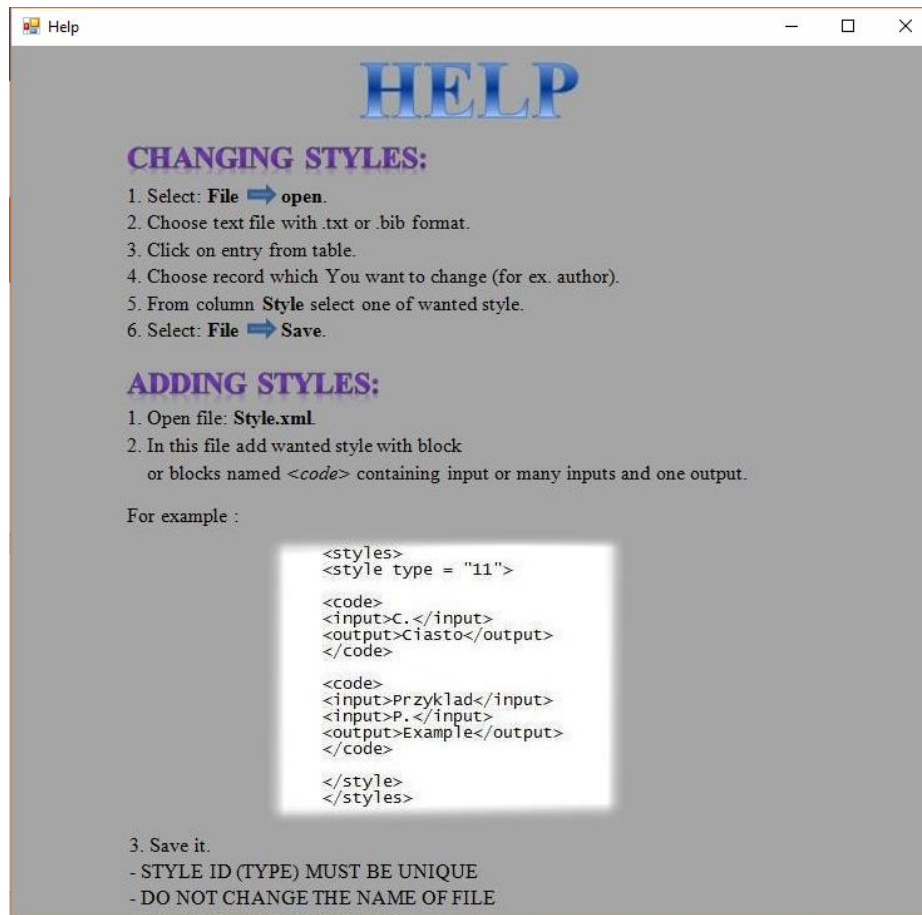

'File' provides three actions: 'Open', 'Save' and 'Exit'. 'Open' allows user to choose performed .bib file containing specific Entries. 'Save' button is responsible for saving the data in the .bib file. 'Exit' closes the application.

### 3. Help menu

When user clicks 'Help' from menu panel, following window will be open:

It provides instructions for changing and adding styles.
